Dear doctor,

We all have been practicing in the field of anorectal surgery in various parts of Gujarat since many years. However, till date, we do not have any organized body, which would be helpful for everyone to discuss the problems, update or share knowledge or solve constantly arising difficulties and most important, a vast connection gap between the practitioners.

We now come forward with a suggestion to form such an association of all Ayurved Proctologists of Gujarat under the name of "SUSHRUT PROCTOLOGIST ASSOCIATION" and convene a meeting on 5th Jan. 2014 at Vadodara.

We are working hard to ensure you a very educative, informative, entertaining gathering which will also serve the noble & essential cause of our UNITY.

"UNITED WE STAND, DIVIDED WE FALL"
