Friends,

॥ तद्विद्यसंभाषा बुद्धिवर्धनानाम् ॥

Time flies!! It is almost a year since we last met in Jamnagar in Feb for PROCTOCON-2016. We are taking one more step forward. Our journey began from the ancient Khajurahos, we visited the auspicious venue of Gujarat Ayurveda University last year and this time we are adding one more milestone at the Aravalli Ranges, the popular hill station, Mount Abu- an Oasis in the Desert !!

Over a period of about 4 years the association has evolved in to one of the best learning platforms for Ayurveda Proctologists.

We have inculcated amongst our members a habit of updating our knowledge and skills, continuously. PROCTOCON 2017 will be focusing on updating our knowledge with an approach of, "Learning from Mistakes." Admitting, analyzing and correcting our own mistakes through out the journey of our career to serve humanity better which is our goal.

Let us be bold this time at PROCTOCON 2017.

We usually highlight our work and our achievement, this time we have allocated special time to show case our mistakes. We will share and evaluate our mistakes and evolve as better physicians benefiting all, ourselves the science and the society.

So, let us join hands and come together to enjoy the joy of sharing and learning.
